## THE HALL OF FAME STORE

Our brand new store features more than 7,000 sq. feet of exclusive Hall of Fame merchandise along with gear from all 32 NFL teams at your fingertips. The Hall of Fame store is your one-stop shop for all things NFL.

## A CENTURY OF FOOTBALL COMES ALIVE

Pro football is brought to life from its earliest roots to the present day. Stand face to face with Jim Thorpe in our iconic rotunda, see how you "measure up" against some of the game's greats like Warren Sapp, Marshall Faulk, Troy Aikman and Jim Kelly. While you're at it, why not strap on a set of shoulder pads or put on a helmet and hear the coach-to-quarterback calls from past Super Bowls. Or, go under the hood inside an instant replay booth and make the call - just like an NFL game official!

HONOR FOOTBALL'S HEROES. PRESERVE HISTORY. PROMOTE VALUES. CELEBRATE EXCELLENCE.

## INSIDE THE HALL

More than 24,000 men have played pro football and thousands of others have coached or contributed in other ways. Only 287 have been awarded the highest honor of the game - to be immortalized as a football legend with a bronze bust displayed within the hallowed halls of the Pro Football Hall of Fame. Walk among the immortals of the game in an interactive experience that's been completely reinvented.

Our recent \$27 million renovation brings to life pro football's past and present over more than 118,000 square feet through state-of-the-art interactive exhibits, priceless artifacts and documents, and exciting film footage that provide every visitor with a unique and exciting experience.
